WELCOME TO HERMANN'S AT CHATEAU YALDARA

Hermann Thumm arrived on our shores in 1941 complete with his European winemaking dream of producing world class wine in the Barossa Valley. Our pioneering founder, known to all as HT, embodies the boundless potential of holding true to a brave vision. Always.

The very name he chose, Yaldara – the local First People's term for 'sparkling', is an eternal connection to the indigenous history of the land.

Showing consistent respect to 70 years of Barossan winemaking heritage, Yaldara with its patchwork of vineyards has made the most of a Mediterranean climate – cool, wet winters and warm, dry summers. Today, holding true to our signature winemaking spirit of tradition and technique with imagination, Yaldara is taking this tradition forward

Embracing the premium wine regions of South Australia, Yaldara's winemakers have always crafted faithful, balanced wines.
And always will.

Chateau Yaldara is stepping forward and looking outward, ready to take our regional fine wines of distinction to new international audiences while also inviting and welcoming them to visit our winery...
for the true experience of the world's best wines.

Today we offer you our two wine brands 1847 Wines and Chateau Yaldara.

Please enjoy dining with us today whether inside or outside. Our staff are here to make your lunch a memorable experience with us. You are also invited to taste more of our wines in the Tasting room and we invite you to avail yourself of a 25% discount on purchases of 6 bottles or more today.
